Parking & Directions:

When travelling to Your Source for your session, the most direct access to the centre is via Dandenong Rd coming from either the City or Dandenong. Coming from the city, turn left at the traffic lights at 'Gate 3', the last entrance to the Centre before Warrigal Rd, and travel towards Woolworths which is the closest parking to Your Source.

Once parked you will need to walk into the Centre through the new Fresh Food Precinct between San Churo and Grill'd. Once inside the building proceed left into the walkway just past Simon Johnson. Continue until the first exit on the right (glass doors) which will lead you to a set of lifts on your left hand side. The lifts are located ahead of the Laser, Skin and Wellness Clinic. Proceed to Level 3.

Public Transport Options:

The closest train stations to the Centre are Holmesglen and Oakleigh, both of which offer short and frequent bus routes to the Centre. Please remember, limited services run on Sundays and Public Holidays.

The Centre bus terminal is located just outside the Centre entrance nearest Your Source (see directions above). There is also a major taxi rank on the left hand side of the terminal.
